

# Class C Syllabus

## General Information

### Description

Class C is a 5 days-a-week Madrasa class. It is a follow-on class from Class B and the final class before the students are split into older boys and girls classes.

### Expectations and Goals

#### Arabic

Most students in this class are expected to have a level of proficiency in recognising and reading Arabic having completed the Simple Steps in Qur'an Reading series in earlier classes. The target for this class is to strengthen their foundations using a Qa'idah and ultimately putting it all into practice as they move onto the Hafti.

#### Memorisation

Students are expected to have completed up to level 3 of the Dua & Surah book. The goal will be to revise these levels and complete Level 4.

#### Deeniyat

Students are expected to have been introduced to core Islamic practices and the goal of this year is to enhance their understanding of them. This includes learning the Fiqh aspects in more detail and enhancing their knowledge of the Islamic history including the Seerah.
